

HOMETOWN GUIDE SPRING 2023

ON THE COVER

Camp Sharonville registration opens April 11. Details on page 24.
An annual Cincy Magazine Best of the North finalist!

Message from the Mayor

It was an annual tradition. At the start of Spring, Sharonville children from the streets of Henderson Court to Amelia Drive would gather at Gower Park. They would cue up against pastel colored ribbon longingly gazing at a field or playground covered with thousands of plastic eggs. Each child would anxiously await the bullhorn signaling the hunt was on. And then, in a matter of minutes, the children would scamper about grabbing as many toy- and candy- filled eggs as their little hands could reach. Once the hunt was over, they would empty their bags and baskets hoping that a golden egg (and a special prize) was amongst their treasure. Like so many things, the pandemic paused this tradition. But no longer – the Sharonville Annual Easter Egg Hunt is BACK!

And this year not only includes the return of the annual Egg Hunt tradition but also our 4th on the Loop Parade and celebration. On the Fourth of July, you are invited to join your neighbors and friends as we gather along Main Street and Reading Road for a patriotic procession in celebration of America. After the parade, you can stick around at our newly renovated Depot Square for more community fun and games. Be on the lookout for information about how you or an organization that you are a part of can be a part of this day's celebration.

I hope that you share my enthusiasm for the return of these annual traditions to Sharonville. It is through city-wide activities like these that we show ourselves to be a connected community – the place to live, work & play.

I DON'T HAVE FACEBOOK OR OTHER SOCIAL MEDIA ACCOUNTS. HOW CAN I BE INFORMED ABOUT CITY NEWS IN SHARONVILLE?

Reading our quarterly Hometown Guide is a great start. It provides you with information on department news, seasonal events and Parks & Recreation programming.

Even if you don't have a Facebook account, you can view our Facebook feed through our website. Go to our website www.CityofSharonville.com and scroll down to the City News section. The Facebook feed is to the right. You can view and read the posts that are made regularly. If you have difficulty viewing the Facebook feed from your mobile device, try connecting to the website from a different web browser or use a laptop or desktop computer.

We recently redesigned our website, and it offers a lot of up-to-date content. The home page is divided into three sections: City News, City Calendar and City Spotlight. City News contains temporary current news flashes. The City Calendar is uploaded with events, public meetings and public events at our Sharonville Convention Center. The City Spotlight is a carousel of information to scroll through. Here you can quickly access past issues of the Hometown Guide, In the Loop Mayor's Newsletter, city-wide programs and events.

The first item within the City Spotlight, Stay Connected, offers a variety of ways for you to be in-the-know. Here you can create an account through Notify Me which allows you to receive text and/or email notifications on the topics you are most interested. Stay Connected is also a consolidated spot to register for emergency notifications through Code Red or provide critical detailed information for first responders for your household through Smart911. You can even report a concern such as a pothole or traffic complaint on this page.

We hope that you find the website redesign more user friendly, and it helps you stay connected to Sharonville!

IN SHARONVILLE | Business Spotlight

JUNK KING®

Sharonville's Junk King, which is the largest Junk King franchise in the country, is a business to be proud of due to their commitment to the environment and local non-profits.

While most junk removal businesses throw away their hauls, Junk King thinks differently, and strives for 100% reuse through recycling, donations, or selling it at their sister store, King's Treasure.

Junk King will come to your home, yard or business to haul away unwanted items. They also have a self-service option where they will deliver a 12 cubic yard dumpster to your property.

They have partnered with over 50 local non-profits and give away anything from books they've found during their cleanouts, to beds, to a % of their profits from their resale store, King's Treasure.

It's reasons like these why the company was awarded the Better Business Bureau's Torch Award for Ethics, which is given to companies who put their ethics into action.

CEO Jack Brendamour operating the styrofoam densifier

Residents can recycle styrofoam for FREE!

Styrofoam isn't biodegradable and will NEVER decompose, so finding a reuse for this material is very important. Sharonville is blessed to be home to one of Hamilton County's only styrofoam recycling solution.

Junk King recently invested in a styrofoam densifier, which compacts the material to a 60-1 ratio by weight brick, and produces one 3' x 7" x 7" brick from a full gaylor of loose styrofoam. Collected bricks are then sent to a producer who will use the material to make insulation and park benches.

The company allows Sharonville businesses and residents to recycle their Styrofoam for FREE at their facility by dropping off the material during their business hours: M-F 9A-5P | Sa 9A-2P at 11430 Gondola Street. You can find more information at www.junk-king.com or by calling (513) 771-5865.

Executive Administrative Assistant Julie Heil displaying the brick produced from a full box of styrofoam as pictured right.

The City of Sharonville does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years. For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor's office at (513) 946-4000 or the Butler County Auditor's office at (513) 887-3154. Links to these offices are available on the Sharonville website.

SCHOOL DISTRICT TAX

The City of Sharonville is within the Princeton City School District. The code for state income tax form purposes is 3116.

MOST COMMONLY MADE ERRORS

- Not attaching the required forms – W-2(s), Federal 1040 & Schedule 1:

In addition to your Federal 1040 we need your W-2(s) and if you file a Schedule 1, we will need a copy of it as well as any included additional schedules (C, E, F and/or 4797). This will clarify the income reported on the Schedule 1 and eliminate unnecessary correspondence.

- Net Operating Losses:
Businesses, including individuals filing Schedules C, E, and/or F, now have limitations to the amount of carried-forward losses they can use. For 2022, business losses from 2017 through 2021 may only be used up to a maximum of the lesser of 50% of the loss carried forward, or 50% of 2022's profit. The remaining loss from 2018 forward may be carried forward for up to five (5) years.

- Too Much Credit for Other Municipalities:
Credit for taxes withheld or paid to another municipality is available to residents. It is limited to 1.5% of the amount of W-2 wages taxed to another municipality, and no amounts exceeding the 1.5% limit will be credited toward additional taxable income. Credits for taxes paid for business income are also limited to 1.5% and are pro-rated based on percentage of total business income. Documentation is required for any credit. We added Worksheet A on the back of your Sharonville income tax return to help you calculate this credit. There are no credits given for county, mental health, or school taxes paid.

FIRE DEPARTMENT

SAFETY REMINDERS FOR SPRING RAINS

With the arrival of spring comes the rainy season to Ohio. As we see more intense storms move into our area, the chance of encountering high water whether on foot or while driving also increases. The Sharonville Fire Department has these reminders for you should you encounter high water.

- Do not walk through moving water. Six inches of moving water can make you fall. If you have to walk in water, walk where the water is not moving. Use a stick to check the firmness of the ground in front of you.
- Do not drive into flooded areas. If floodwaters rise around your car, abandon the car and move to higher ground if you can do so safely. You and the vehicle can be quickly swept away.
- Six inches of water will reach the bottom of most passenger cars causing loss of control and possible stalling.
- A foot of water will float many vehicles.
- Two feet of rushing water can carry away most vehicles including sport utility vehicles (SUV's) and pickups.

Each year more deaths occur due to flooding than from any other severe weather-related hazard. The Centers for Disease Control report that over half of all flood-related drownings occur when a vehicle is driven into hazardous flood water. The next highest percentage of flood-related deaths is due to walking into or near flood waters. The main reason is people underestimate the force and power of water. Many of the deaths occur in automobiles as they are swept downstream. Of these drownings, many are preventable, but too many people continue to drive around the barriers that warn you the road is flooded.

BEWARE OF HOME IMPROVEMENT SCAMS

With better weather approaching, many of us will consider making improvements to our home or property, such as new decks, new roofs, sealing driveways, windows, etc. The list is endless. Often we look to various contractors to perform these repairs. Although most contractors are honest and hardworking people, there are those that are looking to scam us out of our money. It is very important that we do our homework when it comes to hiring a contractor. Our department has seen too many cases involving contractors that ask for large down payments and simply take the money and run, never to be heard from again by the customer. Some have received payment, started the job and then left without finishing. Others have done less than quality work and left the homeowner with having to spend more money to fix the work.

Please consider the following guidelines before hiring your next contractor:

- Get recommendations. Successful contractors will make it easy to access feedback on their work and related documentation.
- Research multiple contractors. Obtaining at least three written estimates from three different contractors could help you weed out bad apples. Beware of contractors that have only a few projects for you to review.
- Ask for licensing, certification and proof of insurance. Depending on the project you are going to undertake, this may be important to the safety of your renovation.
- Go online. Check out the company's reputation with the Ohio Attorney General's Office and the Better Business Bureau. You can also search for previous lawsuits filed by the Attorney General's Consumer Protection Section.
- Do not make a large down payment. Instead, pay in increments. For example, one-third at the beginning of the job, one-third after half of the work is completed to your satisfaction and one-third when the job is completed.
- Avoid paying in cash. It leaves you with a limited paper trail if something goes wrong.
- Get all promises in writing.
- Be cautious of contractors who want payment made out to themselves as individuals, instead of a company.
- Understand that Ohio's Home Solicitation Sales Act provides consumers with a three-day cancellation period for most contracts signed at their own home. The law also applies to contracts signed at any location that is not a company's normal place of business (such as a home improvement show).
- Look for the red flags of a traveling scam artist. If a contractor claims to have leftover materials from a nearby job or offers unbelievably low prices, be suspicious.

Residents who suspect a scam or unfair business practice should contact the following offices:
Ohio Attorney General's Office at www.OhioProtects.org or 800-282-0515
Ohio Department of Insurance Fraud & Enforcement at 800-686-1527

CITY UPDATES

Energy Aggregation Program Update

Natural Gas

In November 2022, the City of Sharonville's natural gas program switched from a monthly variable price to a fixed rate of \$0.833/ccf. This rate and the contract with the current supplier, IGS, concludes in June 2023. The City is in the process of selecting a supplier for the next program, and letters containing program details will be mailed to homes and small businesses in late April, 2023. If you want to join or remain in the natural gas aggregation, you do not need to do anything in response to the letter. Those choosing not to participate in the next program, will be given instructions on how to opt-out of enrollment at that time. The program offer, letter and envelope will arrive bearing the City of Sharonville logo for easy identification.

Eligible residents or businesses include those:

- Located within the City limits
- Already a member of Sharonville's natural gas aggregation or a customer currently getting their natural gas supply from the utility;
- Not participating in the utility's PIPP (percentage of income payment program);
- Not in arrears on your utility bill payment; and
- If a commercial customer, not using more than 5000 ccf of gas/year

Electric

The City's program with Energy Harbor has a fixed rate of 4.72 cents per kWh for carbon-free energy until December 2023.

Verifying Program Participation

To confirm if you are currently in the aggregation program(s), check your utility invoice! Program supplier logos and pricing should appear in the respective "Billing details – Electric" and "Billing details – Gas" sections of your Duke bill.

HIGH GRASS AND WEEDS

With the spring season arriving, the City of Sharonville is asking residents and businesses to be cognizant of basic exterior property maintenance and housekeeping. One of the most frequent complaints the City receives during the spring and summer months is about high grass and weeds on private properties. The City of Sharonville Codified Ordinances Section 521.13 states grass over eight (8") inches in height is considered a nuisance and must be cut.

When the City receives a complaint, an inspection is made to confirm the suspected violation. If a violation is confirmed, a notice of the violation will be sent to the offending property. If the tall grass is not mowed within seven days of the post date, the City will send the Public Works Department to the property to cut the grass. Total costs incurred by the City to cut the grass – including time and equipment used – can quickly add up.

The minimum charge for the City to mow an offending property is **\$250.00**. Depending on the the area to be mowed and the height of the grass, the costs can be much higher. The costs associated with mowing the offending property are **billed directly to the property owner**. If the property owner fails to pay the dues to the City within 30 days, the City will include the total costs to the Official Tax Duplicate in the form of a lien on the offending property.

Important Information for Repeat Offenders

Beginning in 2023 the City will no longer send subsequent violation notices to the same property for High Grass and Weeds. Only one notice will be sent out and subsequent violations of the High Grass and Weed Ordinance will be reported directly to the Public Works Department to be cut.

Reporting Potential High Grass and Weed Violations

Please have the address of the offending property or other descriptive information if the violation will not be visually obvious from the public street. For example, indicate if high grass or weeds are in the rear or back yard or hidden by a privacy fence.

HAULING AND UTILITY TRAILERS IN RESIDENTIAL AREAS

Our department often gets questions about the parking and storage of hauling and utility trailers in residential areas. These trailers are NOT permitted to be parked or stored in the open on residential properties in the City. They may only be kept inside a completely enclosed building or garage. Only residential vehicles and certain recreational vehicles, subject to special conditions, are permitted to be parked or stored on residential properties in the City of Sharonville.

The City of Sharonville encourages its residents to keep their properties properly maintained and complying with the city's property maintenance and zoning standards because of the benefits to the community. Properties that are not well maintained negatively impact the property values and quality of life of surrounding neighbors.

Reporting Potential Violations

If you have any questions or would like to file a complaint, please contact the Community Development Department at 513-563-0033 or by email at codeenforcement@cityofsharonville.com. It is helpful if the complaint could include the address of the subject property and as much detail of the concern as possible.

WAS YOUR HOME BUILT BEFORE 1978?

It is important to have your home tested for lead paint hazards. Your family may be eligible for one of several Lead Poisoning Prevention Programs*.

Benefits may include a home assessment from a licensed lead inspector and lead hazard removal from licensed lead contractors that could include:

- Window/door replacement
- Paint stabilization
- Health and safety measures
- Minor repairs based on your home's needs

Depending upon your household income and other factors, the program may be at no cost to you!

Call the People Working Cooperatively (PWC) Lead Prevention Hotline at 513-366-4697 for more information and see if you qualify today or email cinlead@pwhomerepairs.org for more information.

The Lead Poisoning Prevention Programs are designed to:

- Protect expecting mothers and young children.
- Enable income-eligible families to live in a safe & healthy home
- Addresses Hamilton County homes built before 1978

***Program is not affiliated with City of Sharonville. Program is funded in part by the State of Ohio and Hamilton County, Ohio.**

Supervision & Guest Policy

Community Center & Aquatics Facilities

*Guest Fee is \$5 per Person

Our goal in this policy is to accommodate our members as best as we can, without creating a potentially unsafe or unfair usage of the facility.

- Members age 10 & over may enter the Community Center or Pool by themselves. Members under the age of 10 must be accompanied by an adult member, age 18+.
- The fee for a member to bring a guest is \$5.00 per person. Guests ages 2 & under are not subject to a fee.
- Members ages 10 to 17 are permitted to bring no more than 2 guests per day.
- Adult members over the age of 18 are permitted to bring up to 5 guests per day. If the guests are from the same family as the member, they are permitted to bring more than 5.
- Example: An adult member over the age of 18 is bringing their adult daughter, son in law, and five grandchildren from out of town to visit the pool. Since all guests are from the same family as the member, this would be permitted.
- All guests over the age of 18 are required to provide a valid driver's license or state ID to be scanned by our SafePoint system against the National Sex Offenders Registry.
- Members are responsible for the behavior of their guests while they are in our facility. The Recreation Department reserves the right to ban future entry.
- All guests are required to complete the guest sign in sheet when entering the Community Center.
- Guests are required to leave the facility with the member once they have completed their activity.
- Discounted guest pass bundles can be purchased at the Community Center front desk only. Purchase 5 guest passes in advance for only \$20.00 and 10 in advance for only \$35.00.
