Message from the Mayor

As with many of you, my spring weekends will be spent watching young people from around our community coming together on soccer and baseball fields. While the element of competition is always there, the most important goals for those involved is that these children are learning how to improve their skills on the field, working together as a team, and modeling good sportsmanship to their opponents. Sometimes, like last spring when the U10 girls' St. Michael's Mustangs and SYO Stingers met up on the field, those friendly competitions turn into reunions of children (and their parents) who have gone to preschool together or swim as teammates with the Sharonville Sharks. It's during events like these that we can truly feel and appreciate the interconnectedness of our entire city community.

While the City has a role in facilitating these types of activities, mostly through providing the facilities for these activities to take place, it is another vital non-profit organization that truly does all the work. The Sharonville Youth Organization (SYO) has been in existence for more than half-a-century. SYO is a group of dedicated volunteers who arrange the sign up for children in youth sports, provide the equipment to play, recruit and prepare coaches, seek out sponsors for team uniforms, and a multitude of other duties. It was indeed a pleasure a short while ago to recognize these volunteers with a "good neighbor award" for their selflessness and dedication to the youth of Sharonville.

The only way to really make memorable sporting moments is through good people willing to give their time to share these important values with the children of our City. As is often the case with volunteer groups, it can be difficult to find capable persons to take on these tasks. I encourage everyone to think and consider how he or she could be a part of making a difference in the life of a child by volunteering with SYO – whether you currently have a child involved in youth sports, previously had a child in youth sports, you were once a child in SYO sports, or even just want to help teach children critical life skills. Ultimately, that is what a youth sport volunteer does – teach children how to be better members of a community, desirable members of the future workforce, and leaders on and off a sporting field. Won't you be a part of making that difference in a child's life right here in Sharonville?

GIVEN THE NATIONWIDE OPIOID CRISIS, HOW OFTEN IS NARCAN USED BY OUR POLICE AND FIRE DEPARTMENTS?

The opioid crisis receives quite a bit of attention, but fortunately the Police and Fire employees have not needed to administer it that often and, on many occasions, it is being used on the traveling public and not on City of Sharonville residents. Statistics on usage only tell part of the tale; we are also involved with assisting individuals after they have overdosed. For those impacted in Sharonville and others in the region, we are active in Hamilton County's Heroin Coalition Quick Response Team. The Quick Response Team is comprised of a police officer and an addiction counselor who make a follow-up visit to the overdose patient and offer addiction treatment, services and support. The Hamilton County QRT sees success 54 percent of the time they are able to get in touch with a person they're trying to help.

	Fire Department	Police Department
2017	62 doses to 42 patients with 33 transports to the hospital	34 doses to 27 patients
2018	23 doses to 17 patients with 14 transports to the hospital	27 doses to 21 patients
2019	37 doses to 22 patients with 20 transports to the hospital	24 doses to 22 patients
Total	122 doses to 81 patients with 67 transports to the hospital	85 doses to 70 patients

Although the opioid crisis is impacting all layers of society, as the numbers above show, the impact to the Police and Fire services to our community has been significantly less than many others in our area have experienced.

POLICE DEPARTMENT

FUTURE OF THE DEPARTMENT TAKING SHAPE

You may have noticed that Sharonville Police Department is flourishing as of late! Not only is our new building, located at 3639 E Kemper Rd, scheduled to open this summer, but you may also notice a few new friendly faces on our department as well. Since June 2019, we have hired FOUR new officers to our department! These new hires put our department at its full complement of forty for the first time since the end of 2017.

We take great pride in properly training our officers to best serve our community. New officers needing OPOTA (Ohio Police Officer Training Academy) certification are sent to Ohio State Highway Patrol's police academy in Columbus. After obtaining their certification, new Sharonville Police Officers will then undergo a comprehensive 18-week Field Training here at the Sharonville Police Department. Those 18 weeks are broken down into subsections/phases in order to support new officers' success in each area. The first 3 weeks of Field Training are spent in the Classroom phase learning Policy/Procedure, computer operating systems such as RCIC/NCIC and our in-house database, Defensive Tactics, Handcuffing and Traffic Stops. Afterward officers undergo a week of Observation time, six weeks of Coaching, six weeks of Patrol and an additional 2-week Shadow phase.

Our new officers are sent through each phase of training, while rotating through several Field Training Officers (FTO). FTOs are made up of our senior patrol. Those currently working with our new officers are Officers Asbrock, Haynes, Muse and Otte. They have a combined 34+ years of experience in Sharonville alone. Please be sure to say hello and welcome our newest officers – Zach Jones, Nicholas Livingston, Mark Mrosek and Ross Siefring!

- You are a resident of Sharonville 18 years old or older, regardless of your income level.
- You are under 18 years old and have earned income.
- You are a non-resident who works within the City of Sharonville and your income is not fully withheld by an employer.

6 www.CityofSharonville.com

WHAT DO I NEED TO BRING WITH ME OR SEND IN WITH MY SHARONVILLE TAX RETURN?

1. W-2 form(s)
2. Federal 1040 tax return including:
 - Schedule 1, C, E, F and/or 4797 if applicable
 - Documentation for any income reported on your Federal tax form as "other income" (line 8 on the Federal 1040 Schedule 1 form)
 - Any other federal schedules or forms which document deductions or additions to your local tax return
3. Copies of other local tax returns or refund requests you've filed

WHY DO I HAVE TO INCLUDE MY FEDERAL 1040 FORM?

All cities in the State of Ohio require a copy of your federal 1040 form to be included with your local tax return. This helps us assure we have all the necessary paperwork and are taxing & giving credits for the correct amounts.

HOW DO I PAY MY TAX?

- If you E-file, payment may be made by ACH or credit card within the website as you complete your return.
- Check or money order payments may be mailed in and should be made payable to "City of Sharonville Tax".
- Payments by check, money order, cash, or credit card are accepted at the tax office.
- Payments may also be made through Official Payments either online or by phone at 1-800-487-4567.

Note: All credit card payments will incur a fee by the processing company.

HOW CAN I GET AN EXTENSION?

If you have received a federal extension to file, you automatically can have an extension with the City of Sharonville until October 15, 2020. A copy of the extension must accompany the filed tax return to avoid penalties. If you do not apply for a federal extension you may request an extension in writing with our office by April 15, 2020. Please remember that an extension to file does not give you an extension to pay your taxes, so be sure to make all payments by April 15th.

WHAT INCOME IS TAXABLE?

- Qualifying wages are defined by the IRS tax code section 3121(a). It includes many different types of income, including but not limited to wages, sick pay, vacation pay, commissions, severance pay, settlements, bonuses, fringe benefits, short-term disability pay, stock options and deferred compensation. It is usually found in Box 5 (Medicare wages) on your W-2, however there are some exceptions.
- Other income (generally listed on line 8 of your Federal 1040 Schedule 1) such as gambling winnings, HSA and scholarship distributions, director's fees, jury duty income and prize winnings.
- The net of all profit and losses from profession and/or business operations.

WHAT INCOME IS EXEMPT FROM TAX?

- Interest, dividends, some royalties
- Capital gains (unless considered ordinary income)
- Alimony
- Military pay and allowances
- Proceeds from qualified IRS defined retirement plans
- Social Security benefits, welfare benefits, unemployment insurance benefits, workers' compensation

This information regarding income is not all encompassing. Please contact our office if you have questions regarding the taxability of specific types of income.

WHY DO I HAVE TO PAY ESTIMATE PAYMENTS?

All federal, state, and local taxes are due during the year that income is earned. Most companies withhold federal and state taxes from your paychecks, but they may not withhold local income taxes, or may withhold less tax than our 1.5% rate. If a taxpayer reasonably expects to owe \$200 or more due to not having at least 1.5% local tax withheld they need to make estimate payments or may be charged penalties.

If you owe less than \$200, but still wish to make estimated payments please note this on your tax return.

Second quarter estimate payments are due by June 15, 2020. For your convenience a coupon was sent with your 2019 tax return. Invoices will be sent for the 3rd and 4th quarter payments which are due on September 15, 2020 and January 15, 2021.

DO I GET CREDIT FOR PAYING OTHER CITIES?

Yes, credit for taxes withheld or paid to another municipality is available to residents. It is limited to 1.5% of the amount of W-2 wages taxed to another municipality, and no amounts exceeding the 1.5% limit will be credited toward additional taxable income. Credits for taxes paid for business income are also limited to 1.5% and are pro-rated based on percentage of total business income. Documentation is required for any credit. There are no credits given for county, mental health, or school taxes paid.

NET OPERATING LOSSES FOR 2019 TAX RETURNS

Residents with Business Income: Unused losses allocated to Sharonville from tax year 2016 may still be used at 100% to offset any 2019 profits; however due to changes in State law your 2017 & 2018 losses will be limited to the lesser of 50% of the 2017 and 2018 losses or your net profit. There is a form to help you calculate the allowable deduction on the back of the Sharonville IR tax form.

PROPERTY TAXES

The collections of property taxes (whether it is for residential property or business property) are the responsibility of Hamilton County or Butler County. The City of Sharonville does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years. For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor's office at (513) 946-4000 or the Butler County Auditor's office at (513) 887-3154. SAFE ROUTES TO SCHOOL PLAN APPROVED

The City of Sharonville recently completed its first ever Safe Routes to School Plan in conjunction with the Princeton City School District. In mid-2019, the City of Sharonville engaged Kleingers Associates and Murphy Epsom Consultants to lead the City of Sharonville in the preparation of a Safe Routes to School (SRTS) Travel Plan for the Princeton City School District elementary and middle school facilities located within the City of Sharonville. In order to apply for funding, an Ohio Department of Transportation approved SRTS Plan is a required pre-requisite to be eligible to apply for Safe Routes to School funding through the Ohio Department of Transportation. The City assembled a SRTS Team comprised of city staff representing different departments, Princeton School District officials and the professional engineering and outreach services of the consultant team to prepare the draft SRTS plan.

The vision for the City of Sharonville and Princeton Community Middle, Sharonville and Stewart Elementary Schools' School Travel Plan is to design programs and implement public improvements which will benefit students and residents through boosting partnerships, encourage walking and biking, promote education about active transportation, enhance quality of life, foster community pride and enhance overall safety. Now that the plan is complete, the City of Sharonville and Princeton City School District will meet the required pre-requisite to be eligible to apply for competitive Safe Routes to School funding through the Ohio Department of Transportation to improve public safety for its students and residents.

The Ohio Department of Transportation Safe Routes to School Program is a competitive grant program that funds safety improvements such as sidewalks, crosswalks and signage among other safety enhancements. The program is competitive and any local government with an approved SRTS Plan is eligible to apply.

No Short-Term Rentals Allowed in the City of Sharonville

SINGLE FAMILY SHORT-TERM RENTAL BAN

Did you know the City of Sharonville has regulations against the short-term rental of single family properties? In the summer of 2019, the City of Sharonville reviewed and approved the regulation of short-term rentals. The City desires to protect the health, safety, welfare, and quality of life of neighborhoods while preserving existing single family residential structures in Sharonville. As a result, a ban on short-term rentals was implemented in order to maintain quiet, clean, orderly, safe and stable single family residential neighborhoods in the City.

Short-term rentals are defined as a residential structure or part thereof, located in any single family area of the City of Sharonville, which is leased or rented for a period of 30 or fewer calendar days in length. If a person violates this chapter/ ordinance, they are guilty of a minor misdemeanor and shall be fined up to one hundred dollars (\$100.00); any such violation shall constitute a separate offense on each successive day continued. The legislation on short-term rentals is outlined in part seven of the Business Regulation Code Chapter 714. The Business Regulation Code Chapter 714 is not a zoning ordinance therefore short-term rentals are not "grandfathered".

If you have any questions, please contact the Community Development Department.

ENERGY AGGREGATION UPDATE

"With Ohioans spending as much as 7% of their family income on utility bills, looking for ways to reduce those energy bills is a worthwhile investment. There are many areas of the home that can be improved to cut down on heating, cooling, lighting, cooking, and running other appliances where 75% of utility dollars are spent."* Being a member of the City of Sharonville Energy Aggregation is a great way to help you control the price of your energy; controlling the amount of energy you consume is the other part of the savings equation.

The Office of the Ohio Consumers' Counsel (OCC) is a statewide residential utility consumer advocate agency. In addition to its many other services, the OCC educates consumers about utility issues that affect their bills and quality of service. You can find a lot of interesting and useful information, including their Fact Sheet "Easy Ways to Save Energy & Money" at www.occ.ohio.gov.
