# Message from the Mayor

While preparing to write this season's Hometown Guide message, I took a few minutes to review my message from last Spring. We were gearing up for the usual spring sports season, and I encouraged all of you to help volunteer with our local Sharonville Youth Organization. Of course, we all know that there was no spring sports season as states of emergency and statewide state-at-home orders went into effect in mid-March due to the coronavirus. Many of the publicized events in that Hometown Guide were cancelled or postponed much to the dismay of the organizers, the City, and I'm sure many of you. It was necessary, however, to protect the health and safety of all. I know that as we entered into those initial days, I hoped that we would be ready to tackle most of those events again by now. However, despite some positive movements in the battle against the pandemic, we are still not quite there yet but there are some signs of returning to normal.

SYO is gearing up to have a spring sports season. And now, as much as ever, they need your volunteer efforts to help make that successful for our City's young people. The Sharonville Cultural Arts Center is continuing to find ways to bring visual and performing arts into our downtown Sharonville. The City, by leveraging federal coronavirus relief funds, has provided some assistance to the organization to help it through these difficult times (especially for creative arts venues), they could certainly use some of your support as well. We hope that you will take some time to visit our Sharonville Convention Center this March for events like the Sharonville Gems, Minerals & Jewelry Expo or the Greater Cincinnati Home Expo. And as always, please find some time to support the many small businesses around Sharonville to dine (in or take-out), drink, and shop (thanks to Cliff's Hardware for helping to provide for the snow removal needs of so many this unusually snowy winter).

I'm sure many of you, like me, are anxious to return to life before the coronavirus. That day will come, but it's going to be a lot more gradually coming than most of us want. The City will continue to do all that it can to bring back the programming that you find so valuable – and to do it safely. Stay safe. Stay strong. I'll see you around the neighborhood.

*Kevin M. Hardman*

## **I RECEIVE MARKETING ADVERTISEMENTS IN PLASTIC BAGS REGULARLY AT MY RESIDENCE THAT I DO NOT WANT. HOW CAN I STOP THEM FROM BEING DELIVERED?**

If you receive weekly marketing print mailings in a polybag at home and no longer wish to do so, an opt-out option is available.

Visit <https://www.retailmenot.com/everyday/unsubscribe>, call 513-731-1200, or email [cmdetton@valassis.com](mailto:cmdetton@valassis.com) to unsubscribe.

Advertising programs are prepared weeks in advance so it may take up to 6 weeks from the request. Your removal status will remain effective for a period of five years. Please be aware that occasional delivery errors could result in receipt of deliveries intended for other households. If issues persist, the company follows an escalation process which includes fining their carriers and ultimately, termination of their contract.

In the meantime, make sure to retrieve these advertisements from your property and recycle or dispose of them. Leaving them out gives them the opportunity to blow throughout the street littering the neighborhood, clogging catch basins, or giving the impression that your home is not occupied.

# TAX DEPARTMENT

## Filing Due Dates

**Individual Returns:** On or before **April 15, 2021**

**Net Profit Business Returns:** On or before **April 15, 2021** or the 15th day of the 4th month following the end of the fiscal year.

**Withholding Reconciliations:** On or before **February 28, 2021**

### Do I Need to File a Tax Return?

The answer is yes if any of the following apply:

- You are a resident of Sharonville 18 years old or older, regardless of your income level.
- You are under 18 years old and have earned income.
- You are a non-resident who works within the City of Sharonville and your income is not fully withheld by an employer.
- You are engaged in a business within the City of Sharonville and have sales, perform services or own rental property, whether or not tax is due.
- Your business is located within or doing business within the City of Sharonville.

### WHAT DO I NEED TO BRING WITH ME OR SEND IN WITH MY SHARONVILLE TAX RETURN?

1. W-2 form(s)
2. Federal 1040 tax return including:
  - Schedule 1, C, E, F and/or 4797 if applicable
  - Documentation for any income reported on your Federal tax form as "other income" (line 8 on the Federal 1040 Schedule 1 form)
  - Any other federal schedules or forms which document deductions or additions to your local tax return
3. Copies of other local tax returns or refund requests you've filed

### WHY DO I HAVE TO INCLUDE MY FEDERAL 1040 FORM?

All cities in the State of Ohio require a copy of your federal 1040 form to be included with your local tax return. This helps us assure we have all the necessary paperwork and are taxing & giving credits for the correct amounts.

### HOW DO I PAY MY TAX?

- Check or money order payments may be mailed in and should be made payable to "City of Sharonville Tax".
- Payments by check, money order, cash, or credit card are accepted at the tax office.
- Payments may also be made through ACI Payments, Inc either online or by phone at 1-800-487-4567.

Note: All credit card payments will incur a fee by the processing company.

### HOW CAN I GET AN EXTENSION?

If you have received a federal extension to file, you automatically can have an extension with the City of Sharonville until October 15, 2021. A copy of the extension must accompany the filed tax return to avoid penalties. If you do not apply for a federal extension you may request an extension in writing with our office by April 15, 2021. Please remember that an extension to file does not give you an extension to pay your taxes, so be sure to make all payments by April 15th.

## WHAT INCOME IS TAXABLE?

- Qualifying wages are defined by the IRS tax code section 3121(a). It includes many different types of income, including but not limited to wages, sick pay, vacation pay, commissions, severance pay, settlements, bonuses, fringe benefits, short-term disability pay, stock options and deferred compensation. It is usually found in Box 5 (Medicare wages) on your W-2, however there are some exceptions.
- Other income (generally listed on line 8 of your Federal 1040 Schedule 1) such as gambling winnings, HSA and scholarship distributions, director's fees, jury duty income and prize winnings.
- The net of all profit and losses from profession and/or business operations.

## WHY DO I HAVE TO PAY ESTIMATE PAYMENTS?

All federal, state, and local taxes are due during the year that income is earned. Most companies withhold federal and state taxes from your paychecks, but they may not withhold local income taxes, or may withhold less tax than our 1.5% rate. If a taxpayer reasonably expects to owe \$200 or more due to not having at least 1.5% local tax withheld they need to make estimate payments or may be charged penalties.

If you owe less than \$200, but still wish to make estimated payments please note this on your tax return.

Second quarter estimate payments are due by June 15, 2021. For your convenience a coupon was sent with your 2020 tax return. Invoices will be sent for the 3rd and 4th quarter payments which are due on September 15, 2021 and January 17, 2022.

**Appointments for Sharonville Tax Return Preparation**  
**March 15 – April 15, 2021**  
**Sharonville Tax Office • 11641 Chester Road**  
**513-563-1169**

- Beginning March 15th, we will prepare Sharonville tax returns by appointment.
- One person per appointment is allowed to enter the building, with the exception of a second person needed for translation or physical assistance.
- When arriving for your appointment, please call the office, and we will notify you when a tax preparer is available. Waiting inside the building is NOT permitted.
- Employees will wear a face mask, and all visitors are asked to wear one while in the building.
- Paperwork or check or money order payments may be deposited into the secure drop box to the left of the front door.
- You may also mail your documents to us and we will prepare your Sharonville return. We will contact you if a balance is due or more information is needed.
- To make cash or credit card payments please call us upon your arrival and you will be greeted at the front counter.

Due to low usage by our residents, e-filing is no longer available; however fill in forms are available on our web site at [www.sharonville.org/DocumentCenter/Index/61](http://www.sharonville.org/DocumentCenter/Index/61) under Individual Tax Forms.

## WHAT INCOME IS EXEMPT FROM TAX?

- Interest, dividends, some royalties
- Capital gains (unless considered ordinary income)
- Alimony
- Military pay and allowances
- Proceeds from qualified IRS defined retirement plans
- Social Security benefits, welfare benefits, unemployment insurance benefits, workers' compensation

This information regarding income is not all encompassing. Please contact our office if you have questions regarding the taxability of specific types of income.

## PROPERTY TAXES

The collections of property taxes (whether it is for residential property or business property) are the responsibility of Hamilton County or Butler County. The City of Sharonville does not receive property tax dollars from city residents or businesses and is proud that a municipal property tax has not been levied in over 30 years. For further information on the collection and payment of property taxes, please contact either the Hamilton County Auditor's office at (513) 946-4000 or the Butler County Auditor's office at (513) 887-3154. Links to these offices are available on the Sharonville website.

## SCHOOL DISTRICT TAX

The City of Sharonville is within the Princeton City School District. The code for state income tax form purposes is 3116.

## MOST COMMONLY MADE ERRORS

Not Attaching Your Schedule 1:

In addition to your Federal 1040 if you file a Schedule 1, we will need a copy of it as well as any other filed schedules (C, E, F and/or 4797). This will clarify the income reported on the schedules and eliminate unnecessary correspondence.

Net Operating Losses:

Businesses, including individuals filing Schedules C, E, and/or F, now have limitations to the amount of carried-forward losses they can use. For 2020, business losses from 2017 & 2018 may only be used up to a maximum of the lesser of 50% of the loss carried forward, or 50% of 2020's profit. The remaining loss may be carried forward for up to five (5) years.

Too Much Credit for Other Municipalities:

Credit for taxes withheld or paid to another municipality is available to residents. It is limited to 1.5% of the amount of W-2 wages taxed to another municipality, and no amounts exceeding the 1.5% limit will be credited toward additional taxable income. Credits for taxes paid for business income are also limited to 1.5% and are pro-rated based on percentage of total business income. Documentation is required for any credit. We added Worksheet A on the back of your Sharonville income tax return to help you calculate this credit. There are no credits given for county, mental health, or school taxes paid.

# FIRE DEPARTMENT

## SPRING HYDRANT MAINTENANCE

Each spring every public hydrant in the city is flushed, lubricated, and tested to ensure operability. There are approximately 980 hydrants to check within our City limits. The project will likely begin in May and take several weeks to complete.

## STATION 87 MURAL PROGRESS

The muralist Eric Henn was caught in action on the tail-end of the project. The artist had to take a break on the mural because of weather. Once there is a break in the weather he can resume and finish.

## NEW MEDIC AND ENGINE PURCHASES

A new 2021 Horton F550 4x4 Medic Unit has been ordered. It will be like the previous three purchased. With this purchase, we can expect to push longevity from 5 years in a rotation cycle to 8 years because of increased reliability with these units. Additionally a 2021 E-One Rescue pumper with a Cyclone cab was ordered to replace Engine-87 at the Cornell Road station which suffers from exorbitant maintenance costs and reliability issues. The new units will arrive in October and November respectively.

**GRATEFUL FOR THE LOYALTY & DEDICATION OF OUR EMPLOYEES**  
It's likely you've had the pleasure of meeting or interacting with one or both of these women as they have over 47 years of service between them to our fine City! While we are certainly sad to see long-time members of our family leave, we are excited for them to enjoy their WELL DESERVED retirement.

Kathy Brady began her career with the City of Sharonville as a Clerk for Administration in 1996. She became a Deputy Tax Commissioner in the Tax Department in 1998, went to work in the Convention Center in 2000, and found her home at the Police Department as a Clerk Dispatcher in 2004. Kathy was named Dispatcher of the Year in 2006, 2014, and 2016. Kathy retired at the end of 2020.

Linda Lutts began her public service career in Forest Park as a dispatcher in 1991. She was appointed Mayor's Court Clerk here in Sharonville in April 1997. Linda received numerous letters of accommodation from various lawyers and Law Firms for her knowledge and assistance. Linda also retired in December 2020.

# Improvements and Construction to Begin at Hauck Road and US-42 this Summer

Frustrated by the traffic congestion on Hauck Road and on US 42, especially during rush hour and lunch? This summer, improvements will begin on both of these roadways. Regarding Hauck Road, between Reading Road and US 42, the road will be widened from 2 lanes to 3 lanes. The 3rd lane will be a center left-turn lane. The project will also include the addition of a sidewalk on the north side of the roadway. Additionally, ODOT will make enhancements to US 42 and the ramps to I-275. The planned improvements, as shown on the conceptual visual, include:

- The addition of a dedicated right-turn lane from US 42 southbound onto Hauck Road
- An additional right-turn lane from I-275 westbound onto US 42
- An additional dedicated left-turn lane (going from one to two) from US 42 southbound onto eastbound I-275
- The realignment of the I-275 eastbound exit ramp to align with the opposing entrance ramp, and elimination of one traffic light

Once completed, the above projects will work together to improve traffic congestion and safety in the Hauck Road/US 42 area. Follow the City of Sharonville Facebook page for construction updates and progress.

## HIGH GRASS AND WEEDS

With the spring season arriving, the City of Sharonville is asking residents and businesses to be cognizant of basic exterior property maintenance and housekeeping. One of the most frequent complaints the City receives during the spring and summer months is about high grass and weeds on private properties. The City of Sharonville Codified Ordinances Section 521.13 states grass over eight (8") inches in height is considered a nuisance and must be cut.

Once a complaint for high grass and weeds on private properties is received, the Community Development Department follows these protocols:

**Residential Properties:** An inspection is made to verify the alleged violation. If a violation exists, a notice of the violation will be posted to the offending property. If the tall grass is not mowed within 7 days of the post date, the City will send a City crew to cut the grass. All costs incurred by the City to cut the tall grass, including time and equipment used, can quickly add up. The minimum charge for the City to mow an offending property is \$250.00; the larger the area to be mowed and the higher the grass, the costs can be much higher. The costs associated with mowing private property are then billed directly to the property owner. If the property owner fails to return payment to the City within 30 days, the City will add the total costs to the Official Tax Duplicate in the form of a lien on the offending property.

**Commercial/Industrial Properties:** While some exemptions may apply, grass and weeds on commercial and industrial properties are also required to be maintained and may not be taller than eight (8") inches in height; this includes any vacant, developed, or undeveloped commercial/industrial property. If a complaint is received, the process is the same to achieve compliance.

### Reporting Potential High Grass and Weed Violations

Please have the address of the offending property or other descriptive information if the violation will not be visually obvious from the public street. For example, indicate if high grass or weeds are in the rear or back yard or hidden by a privacy fence.

## IMPORTANT STORM WATER INFORMATION

If you live in a platted residential subdivision, there are likely permanent improvements such as storm water detention basins, channels, and drainage swales that must be maintained by the property owner(s) or Homeowners Associations. The purpose is to effectively transmit storm water away from home foundations towards approved drainage facilities. Drainage swales are typically located along side or rear property lines away from building foundations.

Property owners may not be aware that the installation of detached garages, sheds, walkways, driveways, swimming pools, and even landscaping can change the approved drainage system design on a property and create a headache for neighbors. These approved drainage systems are private and must be maintained by the property owner(s) or Homeowners Associations, not the City.

It is important that property owners be conscious of these approved drainage systems. If you modify or block a drainage swale or change the direction of natural flow, you may be responsible and liable for damage caused on another property.

### Basic Rules to Remember:

- Downspouts that lead to an underground pipe cannot be "day lighted" or come to the surface above the ground closer than 10' from the property line.
- Keep the drainage swale clear of brush and logs. Never put leaves, mulch, or grass clippings in or near a stream or swale.

- Never plant trees or install landscaping in an approved storm water drainage swale.
- No mechanical (sump) pumps are to be tied to the downspout lines that discharge through an underground pipe to the public street, curb, or within 10 feet of a property line. Sump pumps can only discharge into approved drainage easements or facilities.
- Do not enclose existing drainage swales into a pipe. Drainage swales are designed to be open. By concentrating the storm water flow in a pipe, you could damage neighboring properties. It is better to work with your neighbors to find a solution for any water problems. Open swales are the best environmental solution to storm water when the storm water infiltrates or drains away within 24 hours.

## MULTI-USE RECREATIONAL TRAIL UPDATE

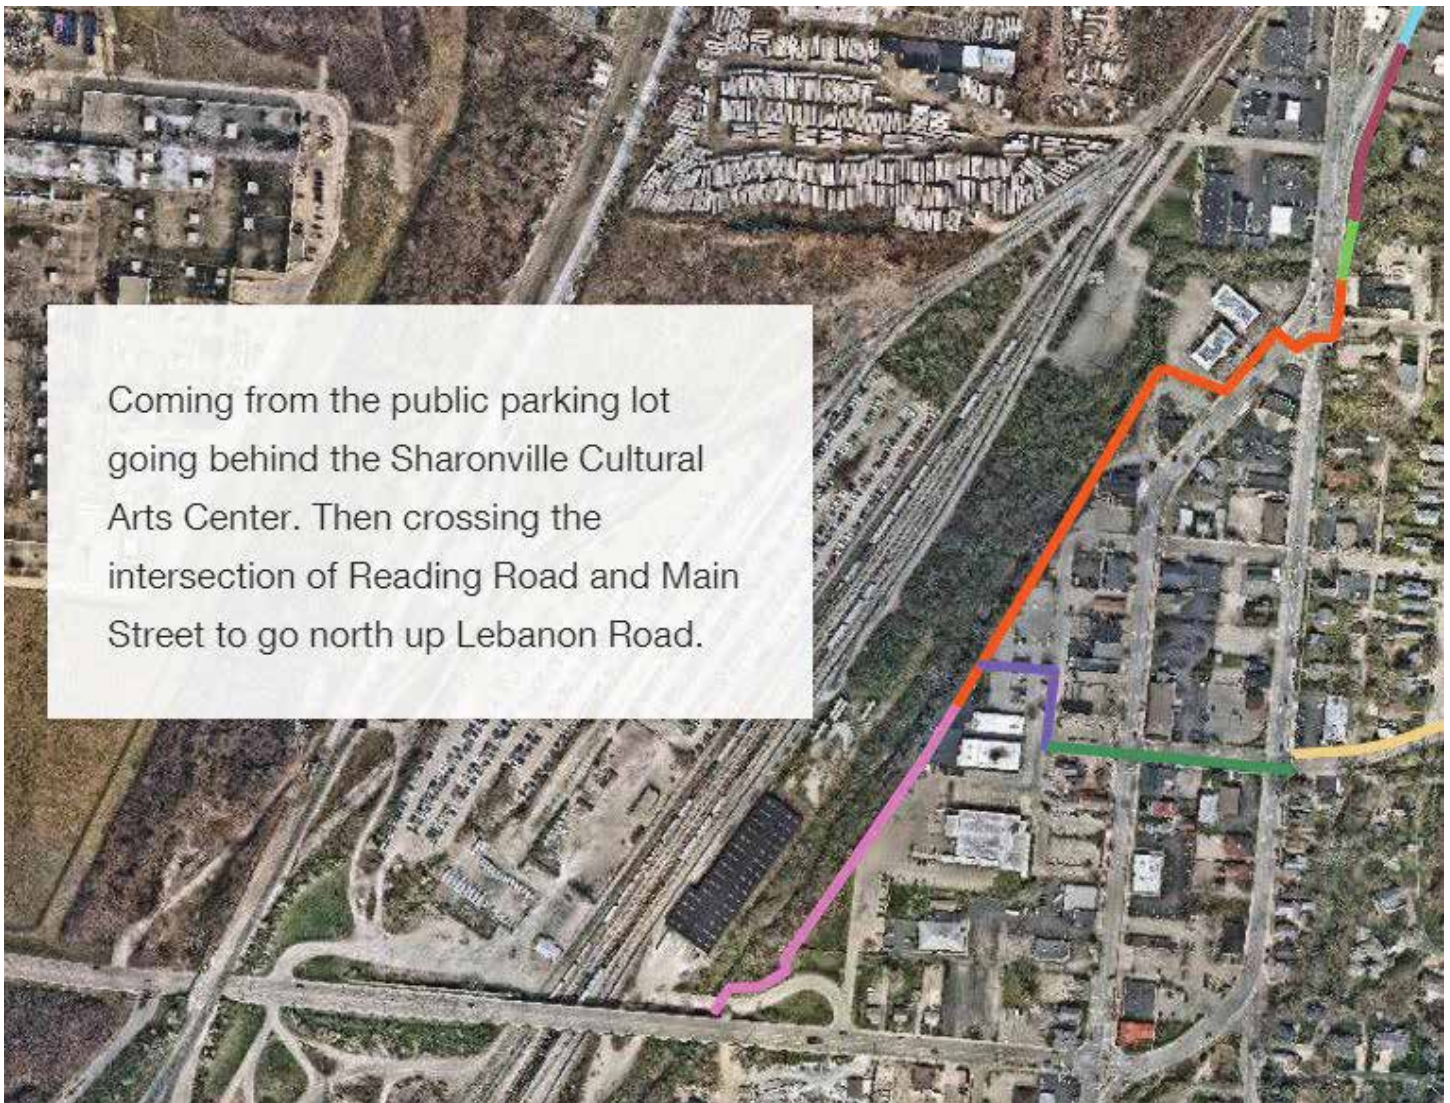

In early 2017, the City of Sharonville signed a Memorandum of Understanding (MOU) with local stakeholders to explore the creation of a multi-use recreational trail connecting communities and major destinations in northern Hamilton County along the Mill Creek. The local stakeholders form the Mill Creek Collaborative (MCC), comprised of the Village of Evendale, City of Reading, Great Parks of Hamilton County, Mill Creek Conservancy District and City of Sharonville. The MCC is committed to working cooperatively on exploring multi-use recreational trail options, working collaboratively to identify and pursue funding opportunities and coordinating land acquisition efforts to assure trail connectivity between jurisdictions.

A portion of the trail involves a continuous, direct north-south connection between the Village of Evendale and the downtown Sharonville Loop on property owned by Norfolk Southern Railroad that is located along the east bank of Sharon Creek. This portion is being pursued by Great Parks of Hamilton County by way of a grant program that would include property acquisition, stream bank restoration to address erosion along Sharon Creek and future construction of a multi-use recreational trail. A second portion of the trail, whose final destination meets the main entrance to Sharon Woods Park on Lebanon Road, would run directly through the Downtown Sharonville Loop. Starting from underneath the Sharon

Road overpass behind the USPS, the trail would run along the east bank of the Sharon Creek to the City-owned parking lot located at the western terminus of Creek Road.

In order to gather information, the City of Sharonville engaged Hamilton County Planning + Development in 2020 to explore a number of multi-use trail alternatives. The trail alternatives were presented to the City of Sharonville's Planning Commission last December. Local officials were able to provide feedback, and a preferred route was determined. This preferred route would continue behind the Downtown Sharonville Loop, along the east bank of Sharon Creek. Then, it would make its way across the Reading, Main, and Cornell Road intersection near Sharonville Fire Station #87.

Finally, it would continue north across Sharon Creek along Lebanon Road. The Sharonville Bike Trail Feasibility Study prepared in 2020 by Hamilton County can be viewed on the Story Map link at <https://tinyurl.com/y3ucpqfl>.

Coming from the public parking lot going behind the Sharonville Cultural Arts Center. Then crossing the intersection of Reading Road and Main Street to go north up Lebanon Road.

## SPRING & SUMMER SERVICES

### TRUCK LOAN PROGRAM

- Available April through October for large trash disposal.
- The truck will be brought to your home or business by 3:00 p.m. and picked up the next morning by 7:30 a.m.
- A release of liability must be signed by the property owner before the truck can be delivered.
- Cost for homeowners is \$50 a night and \$60 for the weekend; for businesses \$90 for nights and weekends.
- Call to schedule a truck.

### INSTALLING A NEW DRIVEWAY

- You must obtain a permit to install a new driveway from the Community Development Department – cost is \$40.
- There is no fee or permit required to install a driveway apron. It must be inspected prior to pouring the cement.
- Call Public Works before constructing a driveway or apron for specifications and inspection requirements.

### YARD WASTE

Grass, weeds, twigs, and leaves can be disposed of using one of the following methods:

- Composting on your property.
- Placing yard waste and garden waste in bags or cans at the curb with regular trash collection.
- Separate yard & garden waste from your regular trash and take the yard waste to one of the three recycling drop-off locations for residents of Hamilton County (free service). For more information call YARDWASTE HOTLINE at (513) 946-7755.
- Please do not blow grass clippings or leaves into the street as these waste materials could clog storm drains.

### BRUSH AND SPECIAL PICK-UP SERVICE

- Curbside Brush and Special Pickup is a FREE year round service to residents.
- Residents must call by Friday to be on a list for pick up the following week.
- Twigs cannot be picked up. They are yard waste and must be disposed of with your regular garbage pick-up.

# Exciting Updates from Parks & Recreation

The Community Center track will receive an upgrade in May 2021. The existing track is original to the 1997 expansion and will receive a new product that is popular among indoor tracks across the country for its durability and ability to provide some impact resistance for walkers and runners. Additionally the track color scheme will change slightly to be more in line with the numerous upgrades that have been made over the last three years and will include new signage and new benches. During the track project, the gymnasium below will remain open and available for walkers and runners to exercise indoors. More information on exact project dates will be announced soon.

*Proposed new track material*

## Community Center Indoor Track

New ADA compliant playground equipment will be installed at Gower Park. This project will include the addition of three new pieces of playground equipment that will be fun for children of all abilities. The equipment will be located centrally in the playground with easy access and entrance. The three pieces are a We Go Round, We Saw, and Cozy Dome. The anticipated completion date is June 2021.

The Gower swing replacement project is still a work in progress, but our hope is to run this project alongside the construction occurring with the ADA equipment. This could be completed by June 2021 as well. All of the old swing bays at Gower playground will be replaced with new swings and new options, similar to the popular 2 person swing installed at Gorman Park last year. At this time photos of the swings are concepts and may change as the project moves forward.

## Gower Park

We are pleased to announce the award of \$150,000 from the State of Ohio Capital Budget Appropriation towards the demolition of the Crescentville School and Gorman Pool. These two facilities have been closed for multiple years after it was determined they were no longer operable.

The Gorman Park renovation project scheduled to begin in 2021 will incorporate the removal of these buildings into an enticing design with modern amenities. This will include a new shelter, centrally located parking lot and a fun new water splash playground facility. Additionally we received \$100,000 from the CDBG-CV grant program specific to the splash pad project. This exciting new amenity will be yet another great addition and helps create a fun and safe water playground for all ages.

While the demolition of the buildings closes one chapter on Gorman Park, it helps to start a brand new chapter that will include exciting fresh recreational opportunities for adventure seekers found nowhere else in the City.

## Refund Policy

Membership and class refunds will only be given in cases of medical circumstances (a doctor's note may be required), if the member moves, or if the class is cancelled. Refunds are obtained by filling out proper paperwork at the Customer Service Desk. Checks will be sent to your residence within four weeks. If paid by a credit card, refunds will be credited back to the card that was used for the transaction.

## Community Center Access Policy

Every person entering the Community Center must stop at the Customer Service Desk to state his/her purpose of coming to the Community Center. If you are a member, please make sure to scan your membership card each time you enter the Community Center and Pools. In order to be as safe as possible and pursuant to City of Sharonville Ordinance Number 2014-13, ALL resident and non-resident guests, ages 18 years and older, purchasing a guest pass\* will be required to provide a valid driver's license or State ID Card. This card will be scanned by the "Safe Point" System against the National Sex Offenders Registry. The entire membership card data base is scanned through the "Safe Point" system twice a year. New members and renewal members joining the Community Center will be scanned before membership cards are given to the members. Should your driver's license or State ID Card match a National or State Sexual Offender Registry record or if you do not provide a valid driver's license or State ID card, you will not be permitted to enter the facility. There is an appeal process.

Members entering the facility by themselves must be 10 years old or above. Any member under the age of 10 should be accompanied and supervised by an adult member. The nursery is currently open for members ages 1 to 9.

Due to current COVID restrictions which limits the capacity of our facility, no guests are permitted into the Community Center.

## Current Advance Registration Schedule

Under strict COVID related guidelines from the state, our facility is currently under capacity limitations that require advance registrations. Participants are limited to individual time slots (see schedule below) to visit the facility for their intended activity. Advance registrations must occur in person, over the phone, or online at [www.supersaas.com/schedule/sharonvillerec](http://www.supersaas.com/schedule/sharonvillerec).
