

***Project Eligibility: Please select one or more of the following eligible improvements from the list (1-9) below. Note: Projects outside of the scope of those expressly listed below will not be considered for approval. Specific building improvements must be compatible with the original character of a structure. Eligible improvements are limited to those that will be made to the exterior front or side of buildings that impact the visual aesthetics of the property. The following improvements are eligible:***

***\_\_\_\_\_ 1. Exterior painting or residing of building -- color schemes shall be reviewed by the City administration and shall be harmonious with the building character, adjacent buildings and surrounding community. Proposed building plans shall not include brilliant colors, create harsh contrasts, or detract from the exterior design of the building.***

***\_\_\_\_\_ 2. Signage -- must enhance the architectural design of buildings, be compatible from building to building, be harmonious with adjacent businesses and public ways and must be easily read (The City cannot pay for advertising). Sign materials and colors shall be consistent with overall building materials and color scheme of the building. Special consideration should be given to existing architectural elements of the building façade and the sign should be in direct correlation to the scale of the building and surrounding buildings.***

***\_\_\_\_\_ 3. Awnings or canopies -- shall be so designed as an integral part of the overall building with materials and colors that are compatible with the entire building and with adjacent buildings.***

***\_\_\_\_\_ 4. Exterior lighting/up-lighting***

***\_\_\_\_\_ 5. Windows/ door replacement or modification***

***\_\_\_\_\_ 6. Building/ storefront/ façade restoration***

***\_\_\_\_\_ 7. Exterior Building cleaning***

***\_\_\_\_\_ 8. Building Demolition***

***\_\_\_\_\_ 9. Design and Engineering Fees***

***Project Description: Please list all proposed work to be completed (including work not eligible for the grant).***

***Will you be able to complete all work within 4 months of grant approval?***

***List any additional information about your project or business (i.e. community involvement):***

***Please feel free to submit additional photos/ plans/ documents with application. We do ask that they be submitted on 8.5X11 paper. Thank you.***
